Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at tecomatwilightmarket@gmail.com if you have any questions.

Sushi Express is a local, family business in Belgrave since 2010. We love being part of this beautiful community and providing sushi lunch orders to many local primary schools in the hills.

Please write the description of your business' ethics as you would like it to feature on the website

We are proud to offer affordable, fresh, healthy, quality Japanese food for our customers. We also take

great pride in being thoughtful in our use of single use packaging and where possible use paper or cardboard and encourage customers to BYO containers - rewarding with a 5% discount. We see a lot of waste in the hospitality industry so we sort our waste and try to reuse cardboard boxes for large takeaway orders and make our rice bags into re-usable bags for customers. We try to encourage customers to apply soy sauce from the bottle before leaving the shop instead of opting for single use small, plastic soy fish.

We employ many local staff and ensure we take our responsibilities regarding wages and conditions very seriously. Our head chef, a Tecoma local, follows a vegan diet and has ensured our menu features a wide range of vegan options. We endeavour to source ingredients from local suppliers where possible. We are very much aware of the community we live in and ensure we donate regularly to local schools and sporting and community groups.

Dear Sushi Express customers....

We know the soy fish are tasty and convenient - we do
But we love the oceans, forests and environment too!
So we thought if we put a cost on extra soy fish
It would help us with our one true wish
That not so many little plastic fish would need to be
created
Just so our lovely sushi could be soy saturated
But many people were confused about why they were
being asked to pay a little bitty
So instead we wrote this little ditty,
To say... have as many plastic soy fish as you wish
But please take only as many as you need - not enough
to fill a whole live tuna fish!
Or perhaps just pour some on before you go
The difference you may never know
We hope you don't think us obnoxious
For also asking you to use a paper bag instead of plastic
boxes

Love from the team at Sushi Express
