

# Tecoma Twilight Ethical Market

**Congratulations!** Your application for our Tecoma Twilight online ethical market was successful.

Now for the details!

Please complete the below form as soon as possible so we can get your stall listed on the site. You are invited to include up to 20 products to feature on the site, however this is optional. The maximum file size for each image upload is 10MB.

You will not be able to save your progress, so please complete the form in one sitting so you do not lose what you have entered.

Your payment of \$10 is required by Friday November 6th. Payment details are as follows:

Account Name: Tecoma Parish Uniting Church

Acc: 131789216

BSB: 633 108

**NOTE:** When paying please put as a reference your FIRST INITIAL and LAST NAME and the word 'MARKET' (i.e. T Johnson Market).

Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at [tecomatwilightmarket@gmail.com](mailto:tecomatwilightmarket@gmail.com) if you have any questions.

**Please write the description of your business as you would like it to feature on the website**

Gifts that give back! Each one of our Happily Made treasures create jobs for women in Cambodia who are determined to make a better future for themselves and their families.

**Please write the description of your business' ethics as you would like it to feature on the website**

Happily Made believes that women in Cambodia need our trade....not aid. Creating home based jobs so that the women can stay home with their families and make a flexible income is our priority. We try to leave as little of an environmental footprint as possible with all our treasures being made by hand and our textiles are dyed with natural colours that don't contaminate the local waterways.
