

Tecoma Twilight Ethical Market

Congratulations! Your application for our Tecoma Twilight online ethical market was successful.

Now for the details!

Please complete the below form as soon as possible so we can get your stall listed on the site. You are invited to include up to 20 products to feature on the site, however this is optional. The maximum file size for each image upload is 10MB.

You will not be able to save your progress, so please complete the form in one sitting so you do not lose what you have entered.

Your payment of \$10 is required by Friday November 6th. Payment details are as follows:

Account Name: Tecoma Parish Uniting Church
Acc: 131789216
BSB: 633 108

NOTE: When paying please put as a reference your FIRST INITIAL and LAST NAME and the word 'MARKET' (i.e. T Johnson Market).

Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at tecomatwilightmarket@gmail.com if you have any questions.

The Blacksmith Bakery was started originally by a local pastry chef as Chocolate Sensation in 1997. We renamed the business to The Blacksmith in 2015 as a nod to the history of the town as it backs on to Blacksmiths Way and the sourdough bread we were making is made by hand the traditional, old fashioned way.

The business is open for breakfast lunch and dinner, 7 days a week, 364 days a year.

Please write the description of your business' ethics as you would like it to feature on the website

At the Blacksmith we are very aware of our place in the community. We employ local people and our customers are mostly locals. We like to provide sponsorship and donation support to local sporting and community groups and employ many young people as their first job.

We are very aware of the impact fast food has on landfill and we try to limit our waste. We encourage the use of keep cups with a 20c discount if you bring your own keepcup and we also partner with Green Caffeen - a not for profit group - which provides free use of keep cups using a similar system to a library. You can check cups in and out and that way you dont need to remember to bring your cup with you every time - we have a stash of clean fresh cups that you can take with you.

We use paper packaging where possible and switched from plastic to paper for our sourdough breads a few years ago.

We employ many local staff and ensure we take our responsibilities regarding wages and conditions very seriously. Our menu features a wide range of vegan options and we endeavour to source ingredients from local suppliers where possible. Our coffee roaster is in Lilydale and we use Bills of Belgrave for all our beef and pork. We are part of the Belgrave Traders committee and donate our time to help keep this volunteer run organisation going to promote the township of Belgrave.
