

# Tecoma Twilight Ethical Market

**Congratulations!** Your application for our Tecoma Twilight online ethical market was successful.

Now for the details!

Please complete the below form as soon as possible so we can get your stall listed on the site. You are invited to include up to 20 products to feature on the site, however this is optional. The maximum file size for each image upload is 10MB.

You will not be able to save your progress, so please complete the form in one sitting so you do not lose what you have entered.

Your payment of \$10 is required by Friday November 6th. Payment details are as follows:

Account Name: Tecoma Parish Uniting Church

Acc: 131789216

BSB: 633 108

**NOTE:** When paying please put as a reference your FIRST INITIAL and LAST NAME and the word 'MARKET' (i.e. T Johnson Market).

Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at [tecomatwilightmarket@gmail.com](mailto:tecomatwilightmarket@gmail.com) if you have any questions.

**Please write the description of your business as you would like it to feature on the website**

Eco Love by Jan features a range of beautiful Australian made products that are free of harsh toxic ingredients that can be harmful to both you, your family and the environment.

The products include cleaning, laundry, kitchen, kids and baby and all the way through to personal care products, skincare and essential oils.

We provide a one stop shop for everything you need. The products are gentle for sensitive skins or allergies. Our home care products are plant based, concentrated and cost effective, free of parabens , nitrates and phosphates, with no animal testing or by-products. With over 30 years of research and manufacturing expertise, TriNature is an award winning market leader in natural technologies.

**Please write the description of your business' ethics as you would like it to feature on the website**

Eco Love by Jan will only promote products that reach our highest standards. They firstly must be Australian made and owned, they must have ingredients that have as little impact on the environment as possible. They must be free of harsh toxic ingredients, fully biodegradable and cruelty free. All products in the range have been personally used, so customers are provided with first hand experience and information so as to guide them to make informed decisions that suit them and their families needs.
