

Tecoma Twilight Ethical Market

Congratulations! Your application for our Tecoma Twilight online ethical market was successful.

Now for the details!

Please complete the below form as soon as possible so we can get your stall listed on the site. You are invited to include up to 20 products to feature on the site, however this is optional. The maximum file size for each image upload is 10MB.

You will not be able to save your progress, so please complete the form in one sitting so you do not lose what you have entered.

Your payment of \$10 is required by Friday November 6th. Payment details are as follows:

Account Name: Tecoma Parish Uniting Church
Acc: 131789216
BSB: 633 108

NOTE: When paying please put as a reference your FIRST INITIAL and LAST NAME and the word 'MARKET' (i.e. T Johnson Market).

Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at tecomatwilightmarket@gmail.com if you have any questions.

Using eco-friendly mediums and sustainable materials Luna creates art from the heart, whilst channelling universal energy into her work.

She loves to forage and press her own flowers, including these in some of her works wherever they choose to go.

She also loves to collage bits and pieces of preloved material from her travels around the world into her creations. Luna enjoys working with people on commissions bringing vibrancy to their homes. She has an eye for detail and can suggest pieces from her collection that could compliment any room or will create an entirely new piece just for you 💎💎

Please write the description of your business' ethics as you would like it to feature on the website

The art world can be fairly wastful and harmful not only for nature but for us creators and those who purchase our work. Luna strives to live in cohesion with nature as best as she can and has sourced complimentary products and mediums that are good quality, toxic free, eco and vegan friendly set by industry standards. She loves to support local where she can, purchasing from Australian suppliers and some of her larger canvases are even made by hand around the corner from her home. She enjoys creating outside and in her studio with the door closed, using no resin in any of her pieces.
