Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at tecomatwilightmarket@gmail.com if you have any questions.

Please write the description of your business' ethics as you would like it to feature on the website

Our mission is to connect children and families to nature through inspirational story telling. We believe that to nurture the future custodians of our planet we need to guide them in forming a deep connection to the natural world, that will inform the way they interact with the world around them.

We acknowledge the Wurundjeri and Bunurong people upon whose lands we work and play, and we acknowledge nationally the land upon which we send The Adventures of Ash and Indigo to through including local place names on each letter.

The Adventures of Ash and Indigo is printed on recycled paper, even the sticky tape we use on our recycled envelopes is compostable! Any inclusions in the letters are often recycled, repurposed or sustainably harvested.
