

# Tecoma Twilight Ethical Market

**Congratulations!** Your application for our Tecoma Twilight online ethical market was successful.

Now for the details!

Please complete the below form as soon as possible so we can get your stall listed on the site. You are invited to include up to 20 products to feature on the site, however this is optional. The maximum file size for each image upload is 10MB.

You will not be able to save your progress, so please complete the form in one sitting so you do not lose what you have entered.

Your payment of \$10 is required by Friday November 6th. Payment details are as follows:

Account Name: Tecoma Parish Uniting Church  
Acc: 131789216  
BSB: 633 108

**NOTE:** When paying please put as a reference your FIRST INITIAL and LAST NAME and the word 'MARKET' (i.e. T Johnson Market).

Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at [tecomatwilightmarket@gmail.com](mailto:tecomatwilightmarket@gmail.com) if you have any questions.

**Please write the description of your business as you would like it to feature on the website**

Tonyi the Worm is a fun and interactive electronic worm and star of a Children's composting worm incursion session. Tonyi the Worm educates young learners aged 3-7 on which everyday waste items are

ok to feed to worms and the ways we can be caring for soil and the environment.

**Please write the description of your business' ethics as you would like it to feature on the website**

A Tonyi the Worm Learning Experience aims to empower a new generation to value waste as a resource and learn simple ways to participate in giving back to the Earth with help from the humble composting worm. Tonyi the Worm Incursions also assist educators to set up a wormfarm for ongoing sustainability and regenerative practices. Tonyi the Worm is an upcycled, handmade creation by local UFTG resident Jasmin Thomas and family. Jasmin shares Tonyi the Worm with permission from Woi Wurrung Cultural Heritage Aboriginal Corporation. Jasmin is a keen home and community gardener with a Permaculture Design Certificate and volunteers with local community group The Hills Food Frontier where Tonyi makes the occasional appearance at community events and markets.
