

# Tecoma Twilight Ethical Market

**Congratulations!** Your application for our Tecoma Twilight online ethical market was successful.

Now for the details!

Please complete the below form as soon as possible so we can get your stall listed on the site. You are invited to include up to 20 products to feature on the site, however this is optional. The maximum file size for each image upload is 10MB.

You will not be able to save your progress, so please complete the form in one sitting so you do not lose what you have entered.

Your payment of \$10 is required by Friday November 6th. Payment details are as follows:

Account Name: Tecoma Parish Uniting Church

Acc: 131789216

BSB: 633 108

**NOTE:** When paying please put as a reference your FIRST INITIAL and LAST NAME and the word 'MARKET' (i.e. T Johnson Market).

Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at [tecomatwilightmarket@gmail.com](mailto:tecomatwilightmarket@gmail.com) if you have any questions.

**Please write the description of your business as you would like it to feature on the website**

We create beautiful wooden toy treehouses and educational toys.  
Our products are handcrafted in Upwey out of natural tree branches from fallen trees, so are

environmentally friendly and sustainable.

Toy treehouses are great for imaginary and small world play as they encourage open-ended play and are more versatile than regular dolls houses.

Recently we have also launched our new playdough stamper range which is perfect for sensory play.

**Please write the description of your business' ethics as you would like it to feature on the website**

We take great care when handcrafting our products. We only use natural timbers from already fallen trees and use non-toxic environmentally friendly finishes on our products.
