

Tecoma Twilight Ethical Market

Congratulations! Your application for our Tecoma Twilight online ethical market was successful.

Now for the details!

Please complete the below form as soon as possible so we can get your stall listed on the site. You are invited to include up to 20 products to feature on the site, however this is optional. The maximum file size for each image upload is 10MB.

You will not be able to save your progress, so please complete the form in one sitting so you do not lose what you have entered.

Your payment of \$10 is required by Friday November 6th. Payment details are as follows:

Account Name: Tecoma Parish Uniting Church

Acc: 131789216

BSB: 633 108

NOTE: When paying please put as a reference your FIRST INITIAL and LAST NAME and the word 'MARKET' (i.e. T Johnson Market).

Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at tecomatwilightmarket@gmail.com if you have any questions.

Bearfoot Cubs is the passion project of Melbourne textile artist Jasmine Ofaolain. Utilising vintage fabrics and diverting good quality resources from landfill, she creates whimsical garments for our passionate

little eco-warriors, mummies and pooches. Fallen leaves are used to eco print some items, and all natural materials are used to make the life cycle of each garment as eco friendly as possible.

Product 4 Name

Formed Reusable Masks

Product 4 Description

Stay Covid-Safe with these 3 layered, formed masks. Using 2 layers of cotton and an internal layer of chiffon to help filter, these masks are left untied so you can choose whether to tie behind your ears, or around your head. Each mask also comes with a nose wire to help form it to your nose for added protection, and a pocket so a filter can be added for extra protection.

Silk masks are also available on request.
