Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at [tecomatwilightmarket@gmail.com](mailto:tecomatwilightmarket@gmail.com) if you have any questions.

Established in 2000, the RAC is a democratic grassroots collective representing a broad cross-section of the community

The Collective was established as, and continues to be, a voluntary activist group. It is a non-profit entity with the objective of protecting refugee rights through its campaign activism.

The Refugee Action Collective will continue to fight for the human rights of asylum seekers and refugees and calls on the Australian Government to:

- \*End mandatory detention of asylum seekers that violates their basic human rights and contravenes UN conventions to which Australia is a signatory
- \*End all offshore processing of asylum seekers; close Manus, Nauru and Christmas Island detention centres
- \*Abolish Temporary Protection Visas and provide permanent protection to refugees
- \*Stop looking for other so called solutions on the soil of sovereign states in our neighbourhood
- \*Cease deporting asylum seekers to countries where they can face persecution, torture and death
- \*Urgently remove all children from detention together with their parents to enable them to have a normal childhood and education
- \*Review all ASIO assessments and cease indefinite detention
- \*Restore appeal rights to the courts for all asylum seekers
- \*Compensate all who have suffered as a result of their detention enduring physical and psychological harm
- \*Fully implement all UN conventions that protect the human rights of asylum seekers

**Please write the description of your business' ethics as you would like it to feature on the website**

RAC Victoria stands for the humane and dignified treatment of asylum seekers and refugees in accordance with Australia's international and humanitarian obligation. This includes, however, is not limited to the following:

Allowing people who arrive by boat seeking asylum in Australia to live and work in the community while their claims are being processed rather than being forcibly detained in Australia or sent overseas to Papa New Guinea, Nauru or other countries.

Providing permanent protection and not discriminating against refugees on the basis of their documentation, means of arrival or ethnicity.

By providing fair and speedy assessment of asylum claims in Indonesia and Malaysia and the guaranteed timely settlement in Australia of those determined to be refugees.

Advocating for a generous approach to accepting refugees based on the wealth of our country which welcomes refugees for their positive contribution to the betterment of Australia's economy, culture and society.
