

Tecoma Twilight Ethical Market

Congratulations! Your application for our Tecoma Twilight online ethical market was successful.

Now for the details!

Please complete the below form as soon as possible so we can get your stall listed on the site. You are invited to include up to 20 products to feature on the site, however this is optional. The maximum file size for each image upload is 10MB.

You will not be able to save your progress, so please complete the form in one sitting so you do not lose what you have entered.

Your payment of \$10 is required by Friday November 6th. Payment details are as follows:

Account Name: Tecoma Parish Uniting Church
Acc: 131789216
BSB: 633 108

NOTE: When paying please put as a reference your FIRST INITIAL and LAST NAME and the word 'MARKET' (i.e. T Johnson Market).

Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at tecomatwilightmarket@gmail.com if you have any questions.

Karen Stokes Design creates beautiful jewellery created out of polymer clay. Each design is unique and handmade with quality in mind. Karen enjoys creating her one-of-a-kind jewellery for her customers who

enjoy wearing her earrings. They are lightweight pieces, so they are easy to wear.

Please write the description of your business' ethics as you would like it to feature on the website

Karen Stokes Design specialises in creating one of a kind, quality jewellery out of polymer clay. Her designs are considered to be part of the slow fashion movement which celebrates products that are made to last and promotes purchasing items which are not mass produced and end up in landfill.

Each of the designs that are made are handmade and with her new line of jewellery there are hand painted pieces available too. These pieces are wearable art as each piece is unique.

Karen prides herself on the fact that all the earrings are created out of polymer clay and she uses every piece of clay to ensure that there is no wastage.
