

Tecoma Twilight Ethical Market

Congratulations! Your application for our Tecoma Twilight online ethical market was successful.

Now for the details!

Please complete the below form as soon as possible so we can get your stall listed on the site. You are invited to include up to 20 products to feature on the site, however this is optional. The maximum file size for each image upload is 10MB.

You will not be able to save your progress, so please complete the form in one sitting so you do not lose what you have entered.

Your payment of \$10 is required by Friday November 6th. Payment details are as follows:

Account Name: Tecoma Parish Uniting Church

Acc: 131789216

BSB: 633 108

NOTE: When paying please put as a reference your FIRST INITIAL and LAST NAME and the word 'MARKET' (i.e. T Johnson Market).

Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at tecomatwilightmarket@gmail.com if you have any questions.

Mountain Song is a thriving small business in the Dandenong Ranges, delighting in making wind chimes that have been precisely tuned. Any range from medium to huge can be set to any of our scale or chord suggestions (see/hear website), or we can make and tune them specifically to your requirements. Other options include: windcatcher shape; laser engraving of an inscription using your text, image, and font; five

to eight chimes in a set; Australian hardwood parts... you ask, we'll consider it!

Please write the description of your business' ethics as you would like it to feature on the website

Our Mindful Ethos: If manufacturing for you is simply a matter of peg A into hole B and a quick whack with a hammer, then read no further! If, though, you sense that something of the craftsperson can be embedded in his or her work, that their philosophy finds its way into the end product, then be assured that we 'work mindfully' in the creation of Mountain Song Wind Chimes. In particular, when completing a piece that has been especially commissioned for an occasion, we hold in heart/mind/spirit/prayer ~ whichever word works for you ~ the individual(s) whom the work celebrates. In a mass-produced world it is difficult to grasp and explain exactly why this is important... it just is.
