This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at tecomatwilightmarket@gmail.com if you have any questions.

'Ethical' can mean different things to different people. So let us explain what we mean by ethical enterprise.

1. We source our range from certified fair trade and freedom business. The products you purchase are providing a life giving income for the makers their families and provide funding for community programs.
2. We want to see the end of slavery and work in collaboration with other charities seeking the same thing such as IJM and Be Slavery Free and other smaller 'not for profits'.
3. We value being sustainable environmentally, socially and as a social impact business. Many of our products are created with repurposed or recycled fabrics, metals and leather. Some are made by the ancient craftsmanship techniques passed down through generations and yet others the skill set is introduced to vocationally train women so they can establish independence.
- 4 Finally we also have a small selection of Aussie made handcrafted products.
