Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at tecomatwilightmarket@gmail.com if you have any questions.

The Basin Backyard is a small family business and has over 200 bee hives in The Basin, the Dandenong ranges, Gippsland, St Arnauld/Bendigo region and Mornington Peninsula - we provide Bee mentoring,

Beekeeping supplies and great honey and honey related products.
All our honey is cold filtered which leaves in all the beneficial goodness and most of all FLAVOUR

Please write the description of your business' ethics as you would like it to feature on the website

We dont feed our bees sugar', we take minimal honey as it's their food. We do not harvest pollen or royal jelly as the bees need this for their survival and we are all about caring and working with our bees. Honey is not heated, which removes any benefits (enzymes, pollen) so doesn't change the individual flavours.
