

Tecoma Twilight Ethical Market

Congratulations! Your application for our Tecoma Twilight online ethical market was successful.

Now for the details!

Please complete the below form as soon as possible so we can get your stall listed on the site. You are invited to include up to 20 products to feature on the site, however this is optional. The maximum file size for each image upload is 10MB.

You will not be able to save your progress, so please complete the form in one sitting so you do not lose what you have entered.

Your payment of \$10 is required by Friday November 6th. Payment details are as follows:

Account Name: Tecoma Parish Uniting Church
Acc: 131789216
BSB: 633 108

NOTE: When paying please put as a reference your FIRST INITIAL and LAST NAME and the word 'MARKET' (i.e. T Johnson Market).

Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at tecomatwilightmarket@gmail.com if you have any questions.

Please write the description of your business as you would like it to feature on the website

Based near the Dandenong Ranges, Plant Lab is here to meet all your creative indoor plant and candle needs! We offer a range of kokedama, indoor plants, terrariums, succulents, and scented soy candles. All

of our products are hand-made or arranged, and ready to light up your home, or make a beautiful gift for a loved one.

Please write the description of your business' ethics as you would like it to feature on the website

We are passionate about supporting local economy, and prioritising sustainable business practices. Our kokedama are entirely biodegradable, our candles are made with natural soy and coconut waxes, and we are always happy to re-wrap an older plant, or re-fill an empty candle jar - please don't hesitate to get in touch!
