

Tecoma Twilight Ethical Market

Congratulations! Your application for our Tecoma Twilight online ethical market was successful.

Now for the details!

Please complete the below form as soon as possible so we can get your stall listed on the site. You are invited to include up to 20 products to feature on the site, however this is optional. The maximum file size for each image upload is 10MB.

You will not be able to save your progress, so please complete the form in one sitting so you do not lose what you have entered.

Your payment of \$10 is required by Friday November 6th. Payment details are as follows:

Account Name: Tecoma Parish Uniting Church

Acc: 131789216

BSB: 633 108

NOTE: When paying please put as a reference your FIRST INITIAL and LAST NAME and the word 'MARKET' (i.e. T Johnson Market).

Last year we asked all stalls to contribute a product for use in a fundraising hamper for Foothills Community Care. This year, we are instead inviting stall holders to contribute an item that would be a suitable gift for their Giving Tree drive. Items should be delivered to the church before December 15th. If you are able to get us an item before Sunday Nov 15th, we will promote them live during our launch event.

We would encourage you to promote the event widely through your networks.

We are thrilled that you are on board. Feel free to email us at tecomatwilightmarket@gmail.com if you have any questions.

Handwoven and handmade bags of all shapes and sizes, purses and children's stuffed toys. Products are mainly cotton and some are combined with Allo fibre (a nettle indigenous to Nepal). Each piece is impeccably made with a very tight weave using a back strap hand loom and perfect stitching. All products are made by the Women's Skills Development Organisation in Nepal.

Please write the description of your business' ethics as you would like it to feature on the website

The Women's Skills Development Organisation is a not for profit, fair trade organisation that has been supporting the women of Nepal for decades. Their focus is women who are socially or economically disadvantaged, be they single mothers, divorced women or women with a disability. The women of WSDO are taught the weaving, sewing and business skills they need to be able to support themselves, their families and communities. I believe in supporting grass roots organisations that empower local people to take control of their own lives.
